Bricolage/Craft

Un serpent de papier chaîne/A Paper Chain Snake

Materials: coloured paper, scissors, stapler, glue, googly eyes, red balloon

Instructions:

1. Fold one sheet of the coloured paper eighths.
2. Repeat Step 1 using the other coloured paper.
3. Cut on the lines of both the pieces of paper so you have eight strips of paper for each color.
4. Fold a strip of paper around and staple it. Loop the other coloured strip through the hoop and staple it. Repeat the process till all of the strips of paper have been used.
5. Cut one large and one small rounded triangle out.
6. Glue the large triangle onto the end of the paper chain for the snake's head.
7. Glue the small triangle onto the other end of the paper chain for the snake's tail.
8. Glue the googly eyes onto the large triangle.
9. Glue the red balloon onto the large triangle for the snake's tongue. If you don't have a red balloon, you can cut from red paper a tongue.

Des popsicles/Popsicles

Materials: tissue paper, crayons or permanent marker, glue, popsicle stick, crayons or markers

Instructions:

1. Cut the tissue paper into squares.
2. Draw a popsicle shape on paper using a crayon or permanent marker. A washable marker will bleed when glue is applied.

3. Add some glue to a plate or bowl with a paintbrush. If the glue is too thick to paint on, add a bit of water to make it runny like paper mache glue.
4. Paint glue onto the popsicle shape and stick squares of tissue paper on it. After squares have been added, paint some glue over the top to make them stick down.
5. Let it dry completely.
6. When it is dry, cut out the popsicle and glue a popsicle stick to the back.

Cuisine/Cooking

Crêpes d'ours/Bear Pancakes

Ingredients: pancake mix, bananas, chocolate chips, fruit (optinal)

Instructions:

Prepare pancakes, make one large pancake for the head and two small pancakes for the ears. Cut bananas and place them on the ears and nose. Add chocolate chips as eyes and nose.

Pain de banana/Banana Bread

Ingredients: 3-4 medium overripe bananas, $\frac{3}{4}$ cup sugar, 1 egg, $\frac{1}{4}$ cup vegetable oil, $1\frac{1}{2}$ cups all-purpose flour, $1\frac{1}{4}$ baking powder, $\frac{1}{2}$ tsp baking soda, dash of cinnamon, $\frac{1}{8}$ tsp salt, 1 cup chocolate chips plus more for topping

Instructions:

1. Preheat the oven to 350°F. Prepare a 9x5 loaf baking pan by lining it with parchment or foil and lightly spraying nonstick spray.
2. Mash the bananas with a fork or whisk. Whisk in the sugar, egg, vanilla, and vegetable oil.
3. Mix in the flour, baking powder, baking soda, cinnamon, and salt. The batter will be lumpy.
4. Fold in the chocolate chips.

5. Pour the batter into the prepared baking pan (top with more chocolate chips if you want). Bake for 55-60 minutes (start checking for doneness with a toothpick at 55 minutes). Let cool.

Science/Science

Les serpents de bulle/Bubble Snake

Materials: empty plastic bottle, duct tape, sock, dish soap, food colouring

Instructions:

1. Start by cutting the bottom of the water bottle off. Next slide the sock over the bottom of the bottle. Secure the sock with duct tape or a rubber band.
2. Pour some dish soap into a shallow container with a little bit of water and gently mix. Dip the sock covered bubble blower into the solution and gently blow.
3. To add some colour, add a few drops of food colouring to the sock.
4. Dip the sock into the soap and water and gently blow to create bubbles.

Le dentifrice éléphant/Elephant Toothpaste

Materials: ½ cup hydrogen peroxide, one packet dry yeast, dish soap, food colouring, warm water, empty plastic bottle, container

Instructions:

1. Follow the activation directions on the packet of yeast, adding warm water and waiting until it begins to fizz.
2. Pour the hydrogen peroxide into the bottle first, adding a couple drops of food coloring if you wish, and a generous squirt of dish soap.
3. Pour the yeast mixture in last.

Jeux/Games

Dessiner ensemble/ Draw together

Equipment: a paper, crayon or markers

Instructions:

Each person must close their eyes and attempt to draw different parts of an animal. One person draws the body. The second draws the head. The third draws the legs. Continuing to follow this pattern until the elephant is complete.

Une course des animaux/ Animal racing game

Equipment: print off my animal cards, deck of normal cards

Instructions:

Each person picks their animal. You line up your animals horizontally on a table and you have 10 cards facing down vertically. You hold the rest of cards in your hand and the race begins. You flip over a card and if the suit matches your animal card then your animal moves up to the next vertical card. You continue until an animal wins!

Tag de tortue/ Turtle tag

Instructions:

One person is "it" and the rest of the players are turtles. The player who is "it" counts to ten and all the turtles (other players) must hop up and run at least ten steps before they can assume the turtle position (lay on back with hands and feet in the air) again. If the player who is "it" can tag another player before they are "safe" they exchange places and the other player becomes "it".

Exercice/Exercise
