**ESTEVAN, LA RONGE, AND PRINCE ALBERT CHILDREN TO
CELEBRATE SASKATCHEWAN CENTENNIAL IN FRENCH
THROUGH CREATION OF TRAVELLING MURAL**

Saskatoon, 12 August 2005 – On Wednesday August 17 2005, Estevan, La Ronge, and Prince Albert children will participate in the creation of a mural in celebration of Saskatchewan's centennial. The mural is a component of a week-long traveling day camp, *Fête du soleil* (Sun Party), for children aged 5 to 11 learning French as a second language.

Fête du soleil has already visited six communities so far: Moose Jaw, Regina, Yorkton, Nipawin and Lloydminster; the coming weeks will include the community of Saskatoon for a total of nine communities. Led by a CPF-SK team of qualified French-language monitors, the communities of Estevan, La Ronge and Prince Albert will add onto the previous communities' pieces of the mural during a day themed on multiculturalism in Saskatchewan. "Creating and promoting French-language learning opportunities for Saskatchewan youth is important" remarks Mihaela Giurgiu, Youth Programming Officer. "But doing so in a fun and interactive setting while building on Saskatchewan pride and culture is quite exciting!"

The finished product will be presented at the Legislative Assembly where Saskatchewan leaders will be invited to grasp the importance of linguistic duality in Saskatchewan and the learning of a second language, starting from a very young age. The mural will also be hung in various public areas over the winter and fall months, for everyone to admire.

Children will be taking part in the creation of this mural in Estevan at Sacred Heart School (306 Nipawin Road East), in La Ronge at the Uniplex (16-44th Street) and in Prince Albert at Holy Cross School (2051-15th Avenue E). Everyone from the community is welcome to stop by and participate!

This project is made possible by the Governments of Canada and Saskatchewan through the Alberta-Saskatchewan Centennial Initiative and the Department of Saskatchewan Learning.

Canadian Parents for French – Saskatchewan (CPF-SK) is the provincial network of volunteers which values French as an integral part of Canada and that is dedicated to the promotion and creation of French-second-language learning opportunities for young Canadians.
