Dear Ms. Pozniak:

Thank you for your letter requesting that the week of February 4-8th, 2019 be proclaimed *French-Second-Language Education Week* in Saskatchewan. I am pleased to inform you that the proclamation has been prepared and is attached.

The Ministry of Education recognizes the importance of French language education in Saskatchewan schools. Celebrating this week will give students the opportunity to showcase why French is an important part of the school community and their personal interest in the language.

I commend you for the excellent job Canadian Parents for French Saskatchewan is doing to support our students and schools that teach and learn various French-Second-Language Programs. The theme "Learn French...feed your brain!/Apprenez le français...nourissez votre cerveau!" rings true for our many students who choose to learn French as a second language.

Please accept my best wishes for a successful *French-Second-Language Education Week*.

Yours very truly,
