CPF-SK LAUNCHES NEWLY REDESIGNED WEBSITE

Saskatoon, December 6 2004 - The Canadian Parents for French-Saskatchewan (CPF-SK) team is proud to launch its newly redesigned website.

This website will become an important tool of communication for the sharing of information. It is from this thought that the process of redesigning CPF-SK's website was started. In furthering the commitment towards the CPF mandate by placing value on the acquisition and dissemination of knowledge, it was deemed important to more effectively serve CFP-SK members by achieving a more reliable means of communication.

More importantly, every school, administrator, educator, elected official, parent and youth will be able to navigate the site with ease to find valuable and dependable information on CPF-SK, French second language opportunities, education, resources, research, answers to questions and much more.

CPF-SK encourages you to periodically visit the site at www.cpfsask.com for regular news and important updates.

Canadian Parents for French – Saskatchewan (CPF-SK) is the provincial network of volunteers which values French as an integral part of Canada and that is dedicated to the promotion and creation of French-second-language learning opportunities for young Canadians.
